

"Building Self Esteem Through Academic Excellence"

Administrator Report

Prepared for August 25, 2016 APC Meeting

To: Academic Policy Committee

The new school year is off to a good start here at Aurora Borealis. I conducted some in-service days with our staff here on August 16 and 17. They were extremely productive days and it gave us a chance to get to know each other. During one of our first meetings together we established some professional norms together that the staff will use as a high performing group during all meetings. I have attached a sheet for your reference.

We have also been looking over the Student/Parent Handbook. It has come to our attention that it has not been updated electronically. Therefore, the staff and I went page by page through the handbook and made some updates. We will have a revised copy of the handbook ready for your review by the next meeting.

The Open House on August 22 seemed to be a positive activity for everyone involved. I would like any comments or suggestions about the Open House so we can plan accordingly for next year.

Finally, I have been in touch with Mr. Nauta several times this year and he has been very helpful in answering questions for me.

Thanks,

Cody McCanna
