Aurora Borealis Charter School
Kindergarten Supply List

These items are for individual use. Please, put your child’s name on each item with permanent marker.

- Children’s Fiskar scissors, these really do work best
- A glue stick
- Non-marking gym shoes
- Back pack
- 8-10 non-toxic markers
- Old shirt or smock for art (This really is a critical item in kindergarten.)

These items are for class use. Do not put a name on them.

- 1 Elmers liquid glue (4 oz)
- A box of quart size zip bags
- One roll paper towels

Please do not bring: Crayons, pencils, colored pencils (they require too much sharpening), pencil box (they tend to break), folders, paper, notebooks, etc.

Your child may want to buy fancy pencils or other goodies. These would be good to get for your child to use at home for his or her homework. Setting up a homework box, or corner with some fun pencils is a great way to start off doing homework for the first time. Please do not bring them to school.

Please do be sure to put your child’s name in all pieces of clothing, particularly sweaters, sweatshirts, and snow pants as the children often take these off. Due to the fact that they are uniform it is very difficult to tell them apart. Names will also need to be put in gym shoes, coats, winter boots, snow pants, mittens, etc.
